

2nd Degree Pre-Requisite Checklist Worksheet

Must have a grade of C+ or higher for a course to fulfill a pre-requisite requirement

Applicant's Name:			
GPA:		*we do look for a minimum GPA of 3.0, but it is not an automatic disqualification if your GPA is below that	
College/University Name		Degree	Graduated? Y/N
Pre-Requisite Courses		Course Code, Number, Name, Institution	Grade
	Fundamentals of Psychology (3 cr.) (Intro to Psychology, General Psych, etc.)		
	Developmental Psychology – Lifespan (must be birth to death) (3 cr.)		
	Human Anatomy & Physiology I with Lab (4 cr.)		
	Human Anatomy & Physiology II with Lab (4 cr.)		
	Microbiology with Lab (4 cr.)		
	Chemistry with Lab (4 cr.)		
	Statistics (3 cr.)		
	College Level Writing (3 cr.)		
Repeated Pre-Requisite Courses			
For any of the prerequisite courses above, please list each time you took the course and earned any grade below a C+/2.3/78. If you have repeated more than three courses, your application will likely require additional review from our School of Nursing and Health Science faculty for admission consideration.
