Dear Manhattanville Alumni,

Nominations are now open for the 2015 Alumni Awards. Your help is key to identifying the most outstanding candidates in each of our three categories. The Alumni Association gives its highest honors to reunion-year graduates who have attained notable achievements in their fields of endeavor and who have worked tirelessly to serve the Manhattanville community. The awards are presented during Reunion weekend, June 5th through June 7th in 2015. We urge you to have a voice in this nominating process!

- **The Distinguished Alumni Achievement Award** - This is the College’s highest form of recognition given to those alumni who have made a lasting impact on society through outstanding professional, volunteer, or philanthropic accomplishments.

- **The Outstanding Alumni Service Award** – This special recognition is given to those alumni who advance the mission of the College through dedicated volunteer service that ensures the College’s impact on the community and future generations of students. The recipient’s service should reflect dedication towards the following: The College or its various departments and programs, the Manhattanville Alumni Association, and/or any student organization or club recognized by the College; the recipient may have participated in a short-term, key project/program for the College.

- **The Recent Graduate Service Award** – This year, the award honors Alumni who graduated between 2000 and 2010, within their reunion celebration year. It is bestowed upon deserving young graduates in recognition of living Manhattanville’s mission as an ethical and socially responsible leader for the global community.

We welcome your thoughtful nomination of individuals who merit consideration for these awards.
